We offer advice – personal and complimentary!

Individual Consultation for Migrants

We offer information about life in Winterthur and in Switzerland. We advise you on social security and insurance issues, on dealing with local authorities and state schools, on finding an appropriate German course and on other issues which are important for your social integration.

For those who have recently immigrated and moved to Winterthur, we provide key information for an easier start in Switzerland.

**Consultations
are complimentary
for those living
in Winterthur.**
