

### **Friedrich Imhoof-Blumer Fellowship in Winterthur**

Applications are now open for the 2026 Friedrich Imhoof-Blumer Fellowship at the Coin Cabinet in Winterthur. The fellowship is supported by the Friends of the Winterthur Coin Cabinet and generously funded by Leu Numismatik AG and Alfred R. Sulzer.

The fellowship offers CHF 3,000 and a four-week research residency in Winterthur. It is intended for early-career researchers working on a focused numismatic project – whether a Master's thesis, PhD dissertation, or scholarly article. Fellows will have the opportunity to work closely with the Coin Cabinet's important holdings and its excellent reference library. Where needed, the team can also help with practical arrangements such as accommodation.

#### **Key dates & how to apply**

- Application deadline: 31 March 2026
- Decision announced: 1 May 2026
- Residency: August–October 2026 (latest start 1 October 2026)
